Quotes. Identify the **SPEAKER**. Offer an **INSIGHT**. Tell me what it reveals about a **character or a theme**. **DO NOT JUST PARAPHRASE THE QUOTE.**

1) "What I meant was, if Atticus Finch drank until he was drunk he wouldn't be as hard as some men are at their best. There are just some kind of men who who're so busy worrying about the next world they've never learned to live in this one, and you can look down the street and see the results."

2) "You're father's right," she said. "Mockingbirds don't do one thing but make music for us to enjoy. They don't eat up people's gardens, don't nest in corncribs, they don't do one thing but sing their hearts out for us. That's why it's a sin to kill a mocking bird." (98)

3) "I don't know [how they could convict Tom Robinson], but they did it. They've done it before and they did it tonight and they'll do it again and when they do it - seems that only children weep."

4) “I think I'm beginning to understand something. I think I'm beginning to understand why Boo Radley's stayed shut up in the house all this time. It's because he wants to stay inside."

5) " There's a black boy dead for no reason, and the man responsible for it's dead. Let the dead bury the dead this time, Mr. Finch. Let the dead bury the dead."
6) "Neighbors bring food with death and flowers with sickness and little things in between. Boo was our neighbor. He gave us two soap dolls, a broken watch and chain, a pair of good-luck pennies, and our lives. But neighbors give in return. We never put back into the tree what we took out of it: we had given him nothing, and it made me sad."

7) “Simply because we were licked a hundred years before we started is no reason for us not to try to win.”

8) "There ain't one thing in this world I can do about folks except laugh, so I'm gonna join the circus and laugh my head off... I'm gonna be a new kind of clown. I'm gonna stand in the middle of the ring and laugh at the folks. Just look yonder... Every one of 'em oughta be ridin' broomsticks."

9) That's the difference between America and Germany. We are a democracy and Germany is a dictatorship... Over here we don't believe in persecuting anybody. Persecution comes from people who are prejudiced."

10) "You never really understand a person until you consider things from his point of view until you climb into his skin and walk around in it."
